

Instructions for intranet access

Access the online AHLS pretest via this SZRNK link:

<https://szrnk.ch/en> then click the button „**Intranet & eLearning**“.

Login

Your username is the same as the email address you provided when registering for the course. If you know your password, you can login to the RescuePoint® platform.

When you login for the first time, insert the same email address you provided when registering for the AHLS course and click on the "Reset password" button. This will send a link to your e-mail account to reset the password.

A screenshot of the RescuePoint login interface. At the top right is the "RescuePoint®" logo. Below it are two input fields: the first is labeled "*Your username:" and contains the text "myemailaddress@xyz.ch"; the second is labeled "*Your password:". Below the password field are two buttons: a green "LOG IN" button and a red "RESET PASSWORD" button. A red arrow points to the "RESET PASSWORD" button.

Intranet

After successful login, you have access to the intranet area:

- „**My Documents**“ Here you find course documents, e.g. Syllabus, any course materials and course venue information.
- „**My Profile**“ Your personal data. **Please check your personal data and keep it up to date even after your course.**
- „**My Skills**“ You may find your certification of participation after successful completion of the course and completion of the course evaluation.
